

GURU TEX SPARES

About us

We, **Guru Tex Spares**, proudly introduce ourselves as one of the leading manufacturers and suppliers of spares for Shuttle and Shuttle-less looms, across Tamil Nadu, India. We established our company in the year 2000, initially providing spares for Ruti 'C' looms and further expanded our services to Shuttle-less looms as well.

Our expertise, in providing Custom-solution especially for temple mark problems and choking of Airjet poppet valves, has made us a preferable choice for our customers. We are also specialized in manufacturing rubber and engineering plastic spares. Our products have been acknowledged as highly durable and cost-effective by all our valuable customers.

Our customer base is spread across Tamil Nadu and we are inclined in increasing and strengthening it. Leading loom brands like Toyota, Picanol, Rifa, Darnier, Iteima, Tsudakoma, Sulzer, Smith, Nissan, Vamatex, Somet, Panter are some of the brands for which our custom-made products are used with satisfying and reliable results.
